### **Remarks:**

- Unfortunately original itinerary you requested is not very feasible and too tight, therefore we suggest our itinerary. Some sightseeing places you requested are not included due to tight schedule. Regarding Kyoto sightseeing, 3 types of itineraries are suggested based on your request (it would be not possible to visit all places in 1 day)
- We reserve the right to change the tour prices with notice due to unexpected increasing hotel rates, transportation cost, and consumption tax.

## **AREA INFORMATION**

### **TOKYO**

*Tokyo, The huge, energetic and fascinating city of Tokyo has been capital of Japan since 1868. It is a collection of mini cities in itself all with their particular draw. Its cosmopolitan nature is reflected in its variety of shops, restaurants, markets and 24-hours activity.*

### **Mt. Fuji**

*Mt Fuji is now UNESCO World Heritage Site since 2013. The 3776 meter volcano straddling Yamanashi and Shizuoka prefectures was approved!*

*Hakone is part of National Park and less 100 Km from Tokyo. There are lots of Hot springs and lots of local tourists come to visit as well as many foreigner visitors as one of the most popular city.*

### **Kyoto**

*Kyoto was Japan's capital from the 7<sup>th</sup> century until around the 11<sup>th</sup> and it is known today as cultural heart of Japan with its historical treasures, gardens, pavilions and temples, many of which have World Heritage status.*
